

MANCHESTER PRIMARY SCHOOL
SKOOLBAG APP & INFORMATION SESSION

Over the course of 2017 the office and teachers will be gradually moving to provide information via the Manchester Primary School Skoolbag App. Information will still be available on the current platforms – school website, Facebook and email – until the end of 2017.

The Skoolbag App is available for the iPhone, all Android phones and Windows phones. Skoolbag is FREE to download and no in-app purchases are offered or required.

An information session and morning tea about the app will be held in the OHSC Room in the Foundation, Grade 1&2 Building on Wednesday, March 8th at 9.30am. We'll demonstrate how to use the app and answer all your questions. We'll also provide technical help for you in setting up the app on your phone.

Information published for the whole school, such as the newsletter and special food day notices, will be pushed to everyone who has downloaded the app. These 'Alerts' will appear as a banner on your phone's home screen and in the 'Alerts' section of the app. If you miss the 'Alert' on your home screen, the 'Alert' is also available in the 'Alerts' section of your phone and the actual message and information is available in the 'Alerts' section of the app.

You can also set up the app to alert you to year level specific 'Alerts'. For example, information on the Grade 3 & 4 Camp will only appear as an 'Alert' on your home screen if you have chosen to receive Alerts/Push Notifications for Grade 3 or 4. If you miss the 'Alert' on your home screen, the 'Alert' is also available in the 'Alerts' section of your phone and the actual message and information is available in the 'Alerts' section of the app.

To download the Skoolbag App:

1. Search the App Store, Google Play Store or Windows Store with the search term: Skoolbag Manchester Primary School

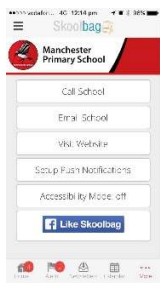

2. Download the app.

To set up your Push Notifications/Alerts for your child's/children's year level:

1. Select 'More' in the bottom right hand corner

2. Select 'Setup Push Notifications'

3. Select your child's/children's year level. You can select multiple year levels.
